Special Notes from the teacher:

- **Please label your child's lunch box, nap mat, backpack, water bottle and uniforms. Especially sweatshirts, jackets/coats and sweaters. The uniforms all look alike, and I will have no idea whose it is once it is taken off.**
- Throughout the year I may ask for a couple things to help with projects we will be participating in the class.

COVID-19:

- This year each child will be having their own set of supplies.
- Please make sure you are sending a wipeable bookbag, rest mat and lunch box. I will be asking you to wash each week.

- If you can't find Lysol and Clorox wipes by the time school begins, please keep an eye out for these items and get them when you can. We will be using each of these items daily in the classroom.

I look forward to working with your child this year. I am excited to see everyone again in September.

If anyone has any questions throughout the summer about supplies, feel free to email me Cflanagan@sfdscs.org

See everyone in September,
Miss. Casey Flanagan
