

Welcome Message

Welcome to Second Grade at St. Francis de Sales Catholic School. My name is Ms. Pizza and I am so excited for a jam packed year of learning and fun! I can not wait to see how your child will grow into an amazing young person and student.

I have a Bachelor's degree in Early Childhood Education from Salisbury University and I am currently working on my Masters degree of Reading Instruction. This upcoming year will be my 5th year teaching at St. Francis de sales. I began teaching Kindergarten and have now moved on to second grade. In my free time I love to read, play with my dog Miller, and watch reality TV.

Teaching is very dear and important to me. I love getting to watch each child bloom and grow as the year progresses and I love to see the spark of loving to learn. It is my personal goal that each student will love to learn and come to school. I look forward to teaching and living a faithfully led life with my students.

Please be on the lookout for weekly updates and announcements. I will send a newsletter home every Monday with important dates, information, and what we are learning that week. If you have any questions or concerns please contact me at Kpizza@sfdscs.org

Fondly,

-Ms. Karly Pizza
