

Welcome to Kindergarten!

Summer is a great time to relax and read!

.....in a car,on a train,in a boat,on a plane.....

Take a book where ever you go!!!

- Plan a regular time to visit your local library every few weeks.
- Wicomico County Library offers a Summer Reading Program. This motivator is a great opportunity for your child to build a love for books and have his/her own library card.

Reading experiences help children with their speaking skills, vocabulary, and comprehension. Little people enjoy books that use word repetition and rhymes, books that support your child's interests, books by the same authors, and books that relate to events in your child's life. Below is a suggested list of books kindergartners enjoy listening to and retelling the story.
